# What's New

# The following Benefit Changes will be effective July 1, 2023.

## **Health Plan Availability**

New this fiscal year, effective July 1, 2023, changes have been made to the out-of-state areas covered by the Open Access Plans (OAP) offered by Aetna, HealthLink and Blue Cross Blue Shield. If you live outside of Illinois, you may have changes to your plan options.

There is now a broader coverage area for some of the OAP plans, therefore you may have the option to elect an OAP plan that was previously unavailable. If you have a Managed Care Plan available in your county and choose to elect the Teachers' Choice Health Plan (TCHP) coverage, you will pay the higher TCHP rate.

If your current OAP is no longer available in your area, and you do not elect a new plan, you will be defaulted to the TCHP.

## **Monthly Contributions**

The Teachers' Retirement Insurance Program (TRIP) shares the cost of health coverage with you. While TRIP covers the majority of the cost, you must make monthly contributions based upon the health plan you select.

Dependent Beneficiary	Teachers Choice Health Plan (TCHP)	\$552.55	\$1,543.41	\$2,345.44	\$619.72
Deficition y	TCHP when managed care is not available in your county	\$552.55	\$1,543.41	\$2,345.44	\$464.80**

<sup>\*</sup> You must enroll in both Medicare Parts A and B to qualify for the lower premiums. Send a copy of your Medicare card to TRS. If you or your dependent is actively working and eligible for Medicare, or you have additional questions about this requirement, contact the CMS Group Insurance Division, Medicare Coordination of Benefits (COB) Unit (see page 7).

<sup>\*\*</sup> Medicare Primary Dependent Beneficiaries enrolled in a managed care plan, or in TCHP when no managed care plan is available, receive a premium subsidy.

# What is Available in Your Area in FY24

Review the following map and charts to identify plans available in your county. Then, review your monthly contribution and plan benefits to determine which plan is best for you.

## **Enrollment Opportunities**

After the Benefit Choice Period ends, you will only be able to change your benefits if you have an enrollment opportunity.

You must report an enrollment opportunity at <a href="MyBenefits.illinois.gov">MyBenefits.illinois.gov</a> within 60 days of the event to be eligible to make benefit changes. Also note that it is required to report important events to the MyBenefits Service Center, including a change in Medicare status, marriage, or divorce. To report a financial or medical power of attorney, contact your retirement system.

**Please note:** Members becoming Medicare-eligible will have a separate enrollment opportunity prior to their 65th birthday. Details can be found on Page 7.

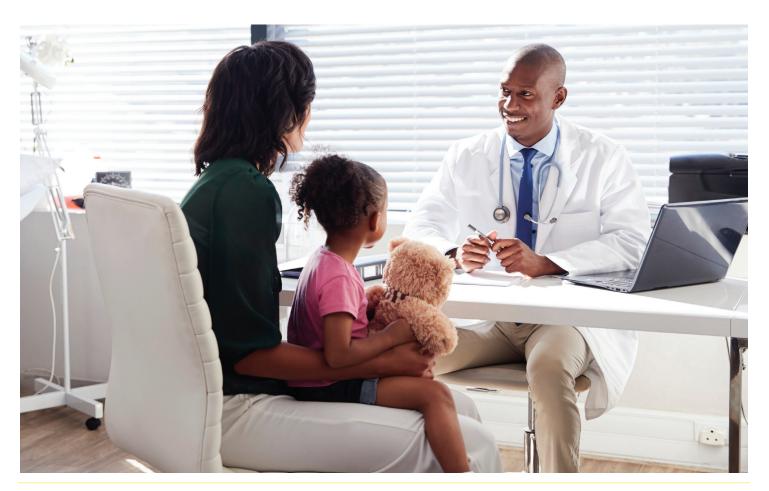

## **Terminating TRIP Coverage**

To terminate coverage at any time, please contact MyBenefits Service Center. The cancellation of coverage will be effective the first of the month following receipt of the request. Benefit recipients and dependent beneficiaries who terminate from TRIP may re-enroll during an open enrollment period or other qualifying enrollment opportunity. Please refer to the Teachers' Retirement Insurance Program (TRIP) Handbook for other qualifying enrollment opportunities.

## Transition of Care after Health Plan Change

Benefit recipients and their dependents who elect to change health plans and are then hospitalized prior to July 1, 2023, and discharged on or after July 1, 2023 should contact both the current and future health plan administrators and primary care physicians as soon as possible to coordinate the transition of services.

Benefit recipients or dependents who are involved in an ongoing course of treatment or have entered the third trimester of pregnancy, should contact their new plan administrator before July 1, 2023, to coordinate the transition of services for treatment.

#### **HMO Benefits**

Health Maintenance Organization (HMO) members are required to stay within the health plan provider network. No out-of-network services are available, other than listed below. Members will need to select a primary care physician (PCP) from a network of participating providers. The PCP will direct all healthcare services and make referrals to specialists and hospitalization. Benefits are outlined in each plan's Summary Plan Document (SPD). It is the member's responsibility to know and follow the specific requirements of the HMO plan selected. For a copy of the SPD, contact the plan administrator (see page 8).

## **Open Access Plan (OAP) Benefits**

Open Access Plan (OAP) members will have three tiers of providers from which to choose to obtain services.

- Tier I offers a managed care network which provides enhanced benefits and operates like an HMO.
- Tier II offers an expanded network of providers and is a hybrid plan operating similar to an HMO and PPO.
- Tier III covers all providers which are not in the managed care networks of Tiers I or II (out-of-network providers). Benefits are outlined in the plan's Summary Plan Document (SPD). It is the member's responsibility to know and follow the specific requirements of the OAP. For a copy of the SPD, contact the plan administrator (see page 8).

## Teachers' Choice Health Plan (TCHP) Benefits

Teachers' Choice Health Plan (TCHP) members may choose any physician or hospital for medical services; however, when receiving services from a TCHP in-network provider, members receive enhanced benefits, resulting in lower out-of-pocket costs. TCHP has a nationwide network of providers through Aetna PPO. Benefits are outlined in the plan's Summary Plan Document (SPD). It is the member's responsibility to know and follow the specific requirements of the TCHP. For a copy of the SPD, contact the plan administrator (see page 8).

## **Teachers' Retirement Insurance Program**

#### **Medicare Requirements**

Each benefit recipient must contact the Social Security Administration (SSA) and apply for Medicare benefits upon turning age 65. If the SSA determines that a benefit recipient is eligible for Medicare at a premium-free rate, TRIP requires that the benefit recipient enroll in Medicare benefits. Once enrolled, the benefit recipient is required to send a front-side copy of the Medicare identification card to the Teachers' Retirement System (TRS) (see page 8 for contact information).

Retirees are encouraged to enroll in Medicare Parts A and B in order to receive a reduced TRIP premium rate.

If the SSA determines that a benefit recipient is not eligible for premium-free Medicare Part A based on his/her own work history or, the work history of a spouse at least 62 years of age (when applicable), the benefit recipient must request a written statement of the Medicare ineligibility from the SSA. Upon receipt, the written statement must be forwarded to the Teachers' Retirement System (TRS) to avoid a financial penalty. Benefit recipients who are ineligible for premium-free Medicare Part A benefits, as determined by the SSA, are not required to enroll into Medicare.

# **Federally Required Notices**

#### **Notice of Creditable Coverage**

Prescription Drug information for State of Illinois Medicare-eligible Plan Participants

This Notice confirms that the Teachers' Retirement Insurance Program (TRIP) has determined that the prescription drug coverage it provides is Creditable Coverage. This means that the prescription coverage offered through TRIP is, on average, as good as, or better than the standard Medicare prescription drug coverage (Medicare Part D). You can keep your existing group prescription coverage and choose not to enroll in a Medicare Part D plan.

Because your existing coverage is Creditable Coverage, you will not be penalized if you later decide to enroll in a Medicare prescription drug plan. However, you must remember that if you drop your coverage through TRIP and experience a continuous period of 63 days or longer without Creditable Coverage, you may be penalized if you enroll in a Medicare Part D plan later. If you choose to drop your TRIP coverage, the Medicare Special Enrollment Period for enrollment into a Medicare Part D plan is two months after your TRIP coverage ends.

If you keep your existing group coverage through TRIP, it is not necessary to join a Medicare prescription drug plan this year. Plan participants who decide to enroll in a Medicare prescription drug plan may need to provide a copy of the Notice of Creditable Coverage to enroll in the Medicare prescription plan without a financial penalty. Participants may obtain a Benefits Confirmation Statement as a Notice of Creditable Coverage by contacting the MyBenefits Service Center (toll-free) 844-251-1777, or 844-251-1778 (TDD/TTY).

#### Summary of Benefits and Coverage (SBC) and Glossary

Under the Affordable Care Act, health insurance issuers and group health plans are required to provide you with an easy-to-understand summary about a health plan's benefits and coverage. The summary is designed to help you better understand and evaluate your health insurance choices.

The forms include a short, plain language Summary of Benefits and Coverage (SBC) and a glossary of terms commonly used in health insurance coverage, such as "deductible" and "copayment."

All insurance companies and group health plans must use the same standard SBC form to help you compare health plans. The SBC form also includes details, called "coverage examples," which are comparison tools that allow you to see what the plan would generally cover in two common medical situations. You have the right to receive the SBC when shopping for, or enrolling in coverage, or if you request a copy from your issuer or group health plan. You may also request a paper copy of the SBCs and glossary of terms from your health insurance company or group health plan. All TRIP health plan SBCs are available on MyBenefits.illinois.gov.

#### **Notice of Privacy Practices**

The Notice of Privacy Practices will be updated at <a href="MyBenefits.illinois.gov">MyBenefits.illinois.gov</a>, effective July 1, 2023. You have a right to obtain a paper copy of this Notice, even if you originally obtained the Notice electronically. We are required to abide by the terms of the Notice currently in effect; however, we may change this Notice. If we materially change this Notice, we will post the revised Notice on our website at <a href="MyBenefits.illinois.gov">MyBenefits.illinois.gov</a>.
