

Back to School, Back to Saving

The TRS Supplemental Savings Plan (SSP) is available to employees in a full-time or part-time TRS-covered position. The SSP is designed to supplement your TRS pension—it does not replace it.

The SSP offers:

- Choices in how you contribute to the SSP — Before-tax, Roth after-tax savings or a combination of both.
- A wide range of investment options — so you can create a portfolio that's right for you.
- Convenient payroll deduction — it makes investing for your future easy.

Web - Access the SSP at trsilssp.voya.com
