Insurance shall not limit Contractor's obligation to indemnify, defend, or settle any claims.

Such books and records shall be available for review or audit by the Illinois Auditor General, other governmental entities with monitoring authority, and the System, upon reasonable notice and during normal

business hours. Contractor and its subcontractors shall cooperate fully with any such review or audit. Failure to maintain such books and records shall establish a presumption in favor of the System for the recovery of any funds paid by the System under this Agreement for which adequate books and records are not available. Contractor shall not impose a charge or pass on fees or costs for review or audit of such books and records. Contractor shall take reasonable steps to ensure that its subcontractors are in compliance with this provision.

33. **Subcontracting and Assignment:**

- a) This Agreement may not be assigned or transferred in whole or in part without a written amendment duly executed by both parties.
- b) If Contractor intends to utilize one or more subcontractors in performance of this Agreement, Contractor shall provide prior written notice to the System identifying the names and addresses of all such subcontractors to be utilized by Contractor in the performance of this Agreement, together with a description of the work to be performed by the subcontractor and the anticipated amount of money that each subcontractor will receive from Contractor for such work. This Agreement shall apply to and bind all subcontractors utilized by Contractor in the performance of this Agreement as fully and completely as Contractor is hereby bound and obligated. For purposes of this section, subcontractors are those specifically hired to perform all or part of the work or to provide equipment or supplies covered by the Agreement.

34. **Termination:**

- a) This Agreement may be terminated at any time by the mutual consent of the System and Contractor.
- b) Either party may, without the consent of the other party, terminate this Agreement upon 30 days' prior written notice to the other party.
- c) Notwithstanding any contrary provision in this Agreement, this Agreement may be terminated at the option of the System whenever the System determines

that such termination is in its best interests, upon 30 days' prior written notice to Contractor.

- d) Upon notice of termination, Contractor shall cease work under this Agreement except work that TRS directs in writing to be completed, and take all necessary or appropriate steps to limit disbursements and minimize costs, and cooperate in good faith with TRS during the transition period between notification of termination and substitution of any replacement contractor. Contractor shall be entitled to payment for satisfactory supplies, equipment and/or services provided under the Agreement. In the event the System and Contractor cannot agree to the amount of payment due Contractor, Contractor will receive a percentage of payment provided under the Agreement equal to the percentage of work completed prior to termination of the Agreement. Contractor shall immediately return to TRS any payments for supplies, equipment, or services that were not rendered by Contractor.
- e) Termination of this Agreement shall not relieve either party of any obligations hereunder which were incurred prior to the date upon which the termination is effective.

Use and Ownership:** All work performed or created by Contractor under this Agreement, whether written documents or data, goods, or deliverables of any kind, shall be deemed work-for-hire under copyright law and all intellectual property and other laws, and the System is granted sole and exclusive ownership to all such work, unless otherwise agreed to herein. Contractor hereby assigns to the System all right, title, and interest in and to any such work including any related intellectual property rights, and/or waives any and all claims that Contractor may have to such work including the so-called "moral rights" in connection with the work. Confidential data or information contained in such work shall be subject to all confidentiality provisions of this Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the date first above written.
