Employer Portal – Employer Reporting Dashboard

Once you are signed into the Gemini Employer Portal, you will be taken to the landing page known as the **Employer Reporting Dashboard** *(image below)*. The blue menu banner at the top of the Employer Reporting Dashboard is the **Employer Menu**. Located directly under the Employer Menu is the Employer Name and employer TRS Code. Every screen within the Gemini Employer Portal will have the Employer Menu, Employer Name and employer TRS Code displayed.

You can return to the Employer Reporting Dashboard at any time by clicking the TRS icon 🐨 on the Employer Menu or by hovering over Freporting and selecting Employer Dashboard from the menu list.

Employer Menu: General Information -

The Employer Menu contains three (3) main menus: Reporting, Services and Employer Information. Each main menu option contains its own sub-menu. We will address these sub-menus in further detail below.

On the right-hand side of the Employer Menu, the user's name is displayed in the blue menu banner.

Employer Portal Automatic Time-out -

The Employer Portal session will automatically time out after 20 minutes of inactivity. Prior to session timeout, you will be prompted to extend the time for another 20 minutes. Click Extend to keep your session active or click the Sign Out to

Payroll Reporting -

The Employer Reporting Dashboard provides a **Payroll Reporting** widget *(image below)* where employers can create a New Payroll Report, complete an In Progress Payroll Report, or view the Reporting History.

Employers have the ability to view their last three payroll reports which have a status of In Progress in this section. Contribution Reports must be completed in order of oldest to newest based on the Report Date. The reports will be listed in ascending order based on the report date.

Bo Payroll Reporting	New Payroll Report	Reporting History
Report Type	Report Date	Status
Defined Benefit	01/01/2021	In Progress

Upon selection of a report under the **Report Type** column, you will be navigated to the next step in the contribution reporting process based on the **Status** of the selected report.

To view additional contribution reports not listed in the Payroll Reporting widget, select

the View All Reports... button near the bottom of the widget. The user will be re-directed to the

In Progress Reports screen. This screen provides a list of payroll contribution reports that have not yet completed the 6-step Contribution Reporting process.

Selecting • New Payroll Report will navigate you to the Select File or Select Report screen based on your employer's chosen reporting method of file upload or data entry. The File Upload process is recommended by TRS, especially for employers with 50 or more TRScovered members. Data Entry is available with the replication process, but the replication process requires some manual entry features that could be time consuming. *Refer to the Employer Portal – Contribution Reporting – New Report Procedures and the Employer Portal – Contribution Reporting – Replication Report Procedures for more information about the Contribution Reporting process.*

Note: In order to start a new payroll report, the employer must have their Payroll Schedule(s) and Banking screens completed within the Portal. *Refer to the Employer Portal - Payroll Schedule Procedures and the Employer Portal - Banking Procedures for more information.*

By selecting ⁽³⁾ Reporting History</sup>, employers will be navigated to the Reporting History screen. Refer to the Employer Portal – Reporting History Procedures for more information.
