ZOOM FORUMS SCHEDULED TO HELP GEMINI IMPLEMENTATION

July 2021

Thank you very much for the tremendous and positive response to the opening of the Gemini Employer Portal on July 1. Your continued cooperation is greatly appreciated.

As we progress further with the implementation of Gemini, TRS is scheduling weekly “Open Forums” via Zoom. The forums are open to all employers. No registration is necessary. TRS will be represented by various Gemini development staff from both the technical and business teams.

The purpose of the Gemini Zoom Forums is to:

- Allow employers to give feedback to TRS about the new system and reporting process.
- Give employers the opportunity to ask questions regarding the system or new reporting requirements.
- Allow employers to hear other employers’ experiences and issues they face, as well as the resolutions to those issues.
- Work together to resolve issues and concerns.

The first weekly Gemini Zoom Forum **will be held on Thursday, July 8 between 10 a.m. and 11 a.m.** These calls are meant to be open forums and not scheduled meetings, which means you can sign in at any time the call is open, leave at any time, listen in or participate by asking questions and/or leaving feedback.
