Consider Target Date Funds*

These “one-stop-shopping” funds are a pre-diversified mix of investments managed by a professional fund manager who automatically adjusts the risk/ return exposure of the fund as you get closer to retirement.

*There is no guarantee that any investment option will achieve its stated objective. Principal value fluctuates and there is no guarantee of value at any time, including the target date. Investments in Target Retirement Funds are subject to the risks of their underlying funds. The year in the Fund name refers to the approximate year (the target date) when an investor in the Fund would retire and leave the work force. The Fund will gradually shift its emphasis from more aggressive investments to more conservative ones based on its target date. An investment in the Target Retirement Fund is not guaranteed at any time, including on or after the target date.

= Percentage

Percentage

x Final Average Salary

= Annual Pension Benefit

“Non-reduced” Retirement Calculation Example

Member:

- Age 67 (Tier 2)
- Years of Service : 30

2021 Legislation Affecting FAS

FOR TRS MEMBER

Salaries used in the calculation of Final Average Salary (FAS) do not need to be consecutive if:

1. The 2020-2021 salary is included in the last 10 years of service, AND
2. A higher final average salary results from using non-consecutive years' salaries

FOR TRS EMPLOYERS

Employer bears a cost for year-to-year increases over 6%*

- New legislation allows an exemption to the additional fee if:
 1. In 20-21 the district was unable to offer or allow overload stipend work due to an emergency declaration limiting such service
- Or
2. If the increase was due to summer school service during the 21-22 year. Exemption runs from May 2021 to September 15, 2022

Social Security and Medicare

- Illinois teachers do not contribute on TRS-covered employment
- Earned SSA benefits may be reduced under Windfall Elimination Provision (WEP) and/or Government Pension Offset (GPO)
- Check for FICA deduction on your paycheck or contact Social Security to confirm eligibility for Medicare (typically at age 65)
- Medicare ID cards are sent by the Social Security Administration
