**Release Version: 2.24.0**  
**Release Date: 8/31/2023**  
**External Release Notes**

*We are continually striving to improve the Gemini experience for you. Your feedback, received through our [weekly employer forums](#) or communications with Employer Services or Accounting staff, is incorporated into the application as it is developed. Gemini System Updates are provided with each new release to keep you informed by providing a summary of new features, improvements to existing features, resolved issues and known issues in the latest version of Gemini. Occasionally we may also include "tips and tricks" and "coming soon" items as well.*

### What's Changed

**Back Wages (BW) Payment Reason has been disabled:** The BW (Back Wages) payment reason has been removed and will no longer appear in the payment reason drop downs. If you currently have used BW for FY2023-2024, please do an adjustment to correct the payment reason to a current payment reason. This will remove issues when you complete your Annual Certification for FY2023-2024.

### Coming Soon

**Email address required for new members:** New member welcome packets are distributed via email. To ensure successful delivery, an email address will be required when a new member is reported. Please be prepared to provide an email address for any new member as well as for members who may not have an email address on file. Once provided to TRS, updates to an email address can only be made by the member via their online TRS account.

*If you have questions, concerns or feedback you would like to share, please email [employers@trsil.org](mailto:employers@trsil.org) for reporting items or [accounting@trsil.org](mailto:accounting@trsil.org) for accounting items.*
