

Summer Employer Survey

Dear Employer

In February 2017, the Teachers' Retirement System of the State of Illinois (TRS) asked all employers to complete a survey to find out how many employers offered a retirement plan like a 403(b) or 457(b) for teachers. We thank those who participated in that survey.

After compiling the results, we would like to know how many TRS members in your district participated in one of these plans during the 2016-17 school year, and if known, how many are Tier II members.

Our continued focus at TRS is to educate Tier II members that they need to BRING MORE to their retirements, consult with financial planners and use other methods of saving for their retirements.

[Please complete the Google Forms survey.](#)

Please respond **on or before Friday, June 30**. We appreciate your cooperation.

Sincerely,

Teachers' Retirement System of the State of Illinois
