

PAYROLL SCHEDULES

ADDING A NEW PAYROLL SCHEDULE

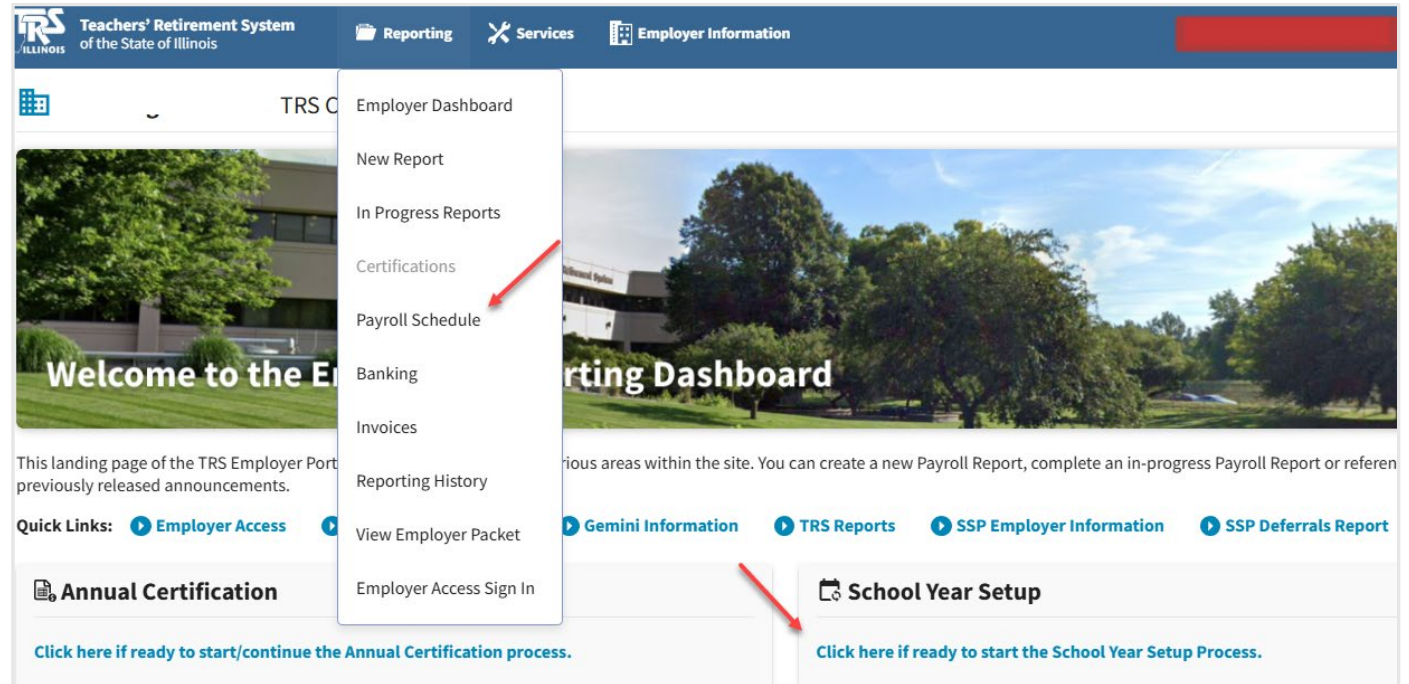

The **Payroll Schedule** is located in the Gemini Employer Portal under the Reporting section or through the School Year Setup Dashboard.

MANDATORY

Employers are required to create a Payroll Schedule(s) prior to uploading the first Pay-Period Report into the Gemini Employer Portal at the beginning of each fiscal year.

PURPOSE

The Payroll Schedule identifies the Pay-Period Begin Date, End Date and Pay Date for each pay-period report. The Pay Dates on the Payroll Schedule should be the same dates employees are paid by the employer.

SCHOOL YEAR SETUP PROCESS

Beginning with the 2025-2026 fiscal year, the new School Year Set Up Dashboard will help the employer navigate through the setup process for the new fiscal year.

Employers can continue uploading 2024-2025 reports without completing the 2025-2026 School Year Setup.

ADDING A NEW PAYROLL SCHEDULE

Choose the **Payroll Frequency** based on how often employees in the Job Category and Employment Type are paid. The following frequency options are available:

- **Monthly** – Paid once a month (12 pay periods/year).
- **Semi-monthly** – Paid twice a month, usually on the 15th and last day (24 pay periods/year).
- **Biweekly** – Paid every two weeks (26 pay periods/year).

The screenshot shows a web form titled "Add Payroll Schedule". On the left, under "Payroll Schedule Information 2 of 2", the following details are listed: "Fiscal Year: 2025-2026", "Job Category: Teacher", and "Employment Types: Full Time, Part-Time Contractual". On the right, a question asks "How frequently will the applicable members be paid?". Below this is a dropdown menu for "Payroll Frequency" with "Semi-Monthly" selected. The dropdown list includes "Select One", "Monthly", "Semi-Monthly", "Bi-Weekly", and "Weekly". Below the dropdown is a "First Pay Date" field with a calendar icon. PAYMENT LAG

Payment Lag refers to the number of days that are between the Pay-Period End Date and the Pay Date. The options are Current, a Positive or a Negative Lag. The Payment Lag chosen will determine the Pay Dates when using the Prefill Schedule option.

A **Current Lag** will have the same End Date and Pay Date.

A **Positive Lag** will add the day(s) selected to the End Date to determine the Pay Date.

A **Negative Lag** will subtract the day(s) selected from the End Date to determine the Pay Date.

The screenshot shows the 'Add Payroll Schedule' form. The 'Payroll Schedule Information 2 of 2' section includes the following details:

- Fiscal Year:** 2025-2026
- Job Category:** Teacher
- Employment Types:** Full Time, Part-Time Contractual

The 'How frequently will the applicable members be paid?' section shows 'Payroll Frequency' set to 'Semi-Monthly'.

- Current
- 1 Day
- 2 Days
- 3 Days

At the bottom of the form, there are three buttons: 'Previous', 'Prefill Schedule', and 'Manual Entry'. The 'Prefill Schedule' button is highlighted in blue.

FLEX PAY AND SPECIAL PAY CHECKBOX

FLEX PAY CHECKBOX

If a Pay Date is used to process a Flexible Benefit Plan salary option, update the pay period by checking the **Flex Pay** box. Salary options for employees opting out of insurance can be paid in various ways—each pay period, once a month, or as a lump sum. Make sure to select all relevant dates where this payment applies.

A TRS flexible benefit plan is a choice between insurance or taking a salary option, if opting out of insurance, that qualifies as creditable earnings (e.g. cash, a tax-sheltered annuity under the Internal Revenue Code [IRC], Section 403(b), or a qualified tax-deferred compensation plan under IRC, Section 457(b).

Special Pay rows may be created with unique Begin, End, and/or Pay Dates, different from the standard pay periods.

For example, a common use would be for a summer school payment. This payment may fall outside of the normal payroll schedule for teachers that start in August/September. The added pay-period row will need to be updated with the **Special Pay** checkbox.

When a fiscal year ends, that year will be moved to **Payroll Schedule History**.
