Employers are required to report post-retirement hours worked in Gemini. Annuitants are limited to work a maximum of 600 hours per school year in a TRS-covered position. All time that an annuitant is required to be present (before, between and after class) and paid time off counts towards the limitation. **Record each full day (five or more hours) as five hours, even if more than five hours were worked on that date.** For partial days (fewer than five hours), record the actual number of clock hours worked to the nearest hundredth decimal.
