Post-Retirement Days Worked
(for July 1, 2022 – June 30, 2023)

With post-retirement employment, you are currently limited to 120 days or 600 hours per school year in a TRS-covered position. The 120 days/600 hours limit is in effect through June 30, 2023.

120-Day Limitation

Five hours equals one full day. If **all the days worked are five hours or more**, record each day as a full day and count toward the 120-day limitation. Paid sick, personal, and vacation days are subject to the post-retirement employment limitation.

600-Hour Limitation

If **some of the days worked are less than five-hour** days, record each day as a partial day and count toward the 600-hour limitation, even if some of the days worked are five hours or more. Each full day (five or more hours) is recorded as five hours, even if you worked more than five hours on that date. For partial days (fewer than five hours), the actual number of clock hours worked is recorded.

Circle each day worked.
