

BRING MORE to Your Future with the Supplemental Savings Plan!

You are eligible to enroll in the Supplemental Savings Plan (SSP), offered by Teachers' Retirement System of the State of Illinois.

The SSP is an optional savings plan that allows you to contribute a portion of every paycheck to the SSP 457(b) deferred compensation savings plan administered by Voya Financial, a national leader in retirement security products for millions of Americans.

The SSP is designed to supplement your existing TRS pension – not replace it. As an SSP participant, when you retire and start receiving your monthly pension, you also will be able to draw on the money you've saved in your SSP account.

When you save money with the SSP, you also will choose how to invest those funds for your future needs. Voya will administer your SSP account while TRS will continue to oversee your pension.

Bring more to your future. Join the TRS SSP.

[SIGN UP for an SSP Information Webinar](#)

You are invited to attend a live online informational webinar on the SSP hosted by Teachers' Retirement System and Voya Financial. Representatives from TRS and Voya will provide an overview of the SSP and take your questions.

These webinars will explain the advantages of participating in the SSP, as well as the planning and educational resources offered by Voya that can help you **Bring More** to your retirement. Please register to attend one of the online sessions: **[select this link to register.](#)**

After registering, you will receive a confirmation email containing information about joining the meeting. If you can't attend a live webinar, a recorded session will be available on the TRS website.

ENROLL Now

Eligible TRS members can sign up for the SSP today.

1. Go to trsilssp.voya.com or call the TRS SSP Service Center at 844-877-4572 (844-TRS-457B)
2. Click **Register Now** below **Enter** and follow the instructions. This [Account Access Flyer](#) may be helpful.
3. **Note:** SSP participants will make their first payroll contributions to their new 457(b) retirement savings account from their first pay period beginning the first of the month following their enrollment in the SSP.

Or speak to a TRS SSP Service Center Associate by calling **844-877-4572** weekdays, 7 a.m. to 7 p.m. CT, excluding stock market holidays.

IMPORTANT: This information is provided for general informational purposes only and is not a recommendation or investment advice. When you participate in the SSP, you choose how to invest your SSP account assets among the SSP's diversified lineup of investment options, and are responsible for any losses that result from your investment choices. TRS and your employer are not responsible for any such losses, do not monitor your investments, and cannot give you investment advice.

Detailed information about the SSP investment options, including an explanation of their investment objectives and risk and return characteristics, fund expense ratios and historical performance information, as well as the SSP's administrative fees and transaction-based fees, is available in the Fund Information section of the participant website. Before you make your investment decisions, you should carefully review this information and consider the degree of risk with which you are comfortable and the amount of time available to you to achieve your financial goals. It is your responsibility to monitor the performance of the investment options you select and make adjustments to your investment portfolio as your circumstances change. The value of your account will fluctuate based on the performance of the investment options.

If you fail to make an investment election but enroll in the SSP, your contributions and account balance will be invested in the Target Retirement Fund closest to your expected retirement date based at age 65 based on your date of birth. You should seek investment advice from a financial advisor with respect to your investment elections if you need assistance.
