## Enrollment

If you are eligible, you can enroll yourself and qualifying dependents during the following periods:

- **When you apply for monthly pension benefits.** If you want to enroll at this point, you must enroll no later than 30 days after the effective date of the pension benefits.
- **When you turn 65.** TRS will mail you enrollment information within 60 days before your 65th birthday. You have six months from the date you become eligible for Medicare Part A and Part B to enroll. If you are not eligible for both parts of Medicare, you may still enroll but must do so within 30 days of your 65th birthday.
- **When coverage is terminated by a former plan.** You may continue coverage with another plan rather than enroll in TRIP. If this occurs, you and your eligible dependents may enroll in TRIP when coverage under the other plan is terminated. The termination must be initiated by the plan. You must enroll with a letter from the plan stating the effective date of termination no later than 30 days after the termination of the plan's coverage.
- **During the Benefit Choice Period,** if you have never been enrolled in TRIP. You may be eligible to enroll in TRIP during the Benefit Choice Period (usually May 1 through May 31 each year). The insurance becomes effective on July 1. Additionally, a fall Benefit Choice Period occurs for those eligible for the Medicare Advantage (TRAIL) Program.

You may enroll dependents when you enroll in the program, the dependent turns 65, a qualifying change in family status occurs (marriage or birth/adoption of child), or coverage is involuntarily terminated by a former plan. You may also enroll dependents during the annual Benefit Choice Period if they previously have not been enrolled in TRIP. Dependents will be enrolled in the same health plan as the benefit recipient.

It is your responsibility to ensure monthly premium deductions are accurate for the insurance coverage you selected.
