## Teachers' Retirement Insurance Program

Dear TRIP Member:

This is your State of Illinois Total Retiree Advantage Illinois (TRAIL) Medicare Advantage Prescription Drug (MAPD) Open Enrollment Decision Guide. This Decision Guide includes the 2020 rates for the TRAIL MAPD Program, a map of plan availability by Illinois county, how to enroll through the MyBenefits website at [MyBenefits.illinois.gov](https://mybenefits.illinois.gov), and a schedule of TRAIL MAPD seminars to be held in Illinois.

### You Have Important Healthcare Coverage Decisions to Make

As a TRIP member who is eligible for Medicare, the Teachers' Retirement Insurance Program (TRIP) offers you a retiree healthcare program called Total Retiree Advantage Illinois (TRAIL). Since you are newly-eligible for the TRAIL Program, you must enroll this fall to retain medical and prescription drug coverage after December 31, 2019.

The TRAIL MAPD Program provides you and your enrolled dependents comprehensive medical and prescription drug coverage through TRAIL plans. These types of Medicare Advantage Prescription Drug plans, commonly known as "MAPD" plans, are Medicare-approved plans that combine the different parts of Medicare into one plan. Since these plans are a type of Medicare, **you must continue to pay your federal Medicare premiums in order to remain enrolled in TRAIL MAPD.**

### If you are NEWLY ELIGIBLE for the TRAIL MAPD Program this fall, you:

- MUST elect one of the TRAIL MAPD health plan options by November 15, 2019 via [MyBenefits.illinois.gov](https://mybenefits.illinois.gov), or by calling the MyBenefits Service Center (toll-free) 844-251-1777. You must do this by November 15, 2019 to have medical and prescription drug coverage through TRIP. Therefore, if you do not complete your enrollment into a TRAIL MAPD plan by November 15, you will no longer have medical and prescription coverage through the State of Illinois.
- Will have your medical and prescription drug claims processed by the TRAIL MAPD plan instead of Original Medicare and your current medical plan.
- Will only have one ID card to show at your doctor visits and when picking up your prescriptions.
- May cancel your TRIP coverage. Canceling will terminate your medical and prescription drug coverage through TRIP. Re-enrollment is allowed for TRIP only during the annual TRAIL Open Enrollment Period, or other qualifying enrollment opportunities.

# Welcome to the **TRAIL** MAPD Enrollment Period

**TRAIL MAPD Open Enrollment Period: October 15 - November 15, 2019**

The Teachers' Retirement Insurance Program (TRIP) offers members a healthcare program called **Total Retiree Advantage Illinois (TRAIL)**. This program provides eligible members and their covered dependents comprehensive medical and prescription drug coverage through TRAIL Medicare Advantage Prescription Drug (commonly referred to as "MAPD") plans.

As an individual who is enrolled in Medicare Parts A and B, your TRAIL MAPD Open Enrollment Period will be held in the fall of each year, rather than during May as in the past. For 2020, the plan year will begin January 1 and will go through December 31, 2020.

All Illinois counties have an HMO and PPO option. Members residing outside Illinois may elect the PPO option only.

The TRAIL MAPD Enrollment Period features a web-based online enrollment platform entitled **MyBenefits** at **MyBenefits.illinois.gov**.

This site streamlines your benefit options into a one-stop shop for your insurance needs. This includes learning more about your current insurance benefits, making enrollment decisions, changing your current coverage and finding contact information for all your plan administrators. How-to-enroll videos are on the site to walk you through the enrollment process.

The online system is comprehensive with the goal of providing information 24/7 and allowing you to make changes in real-time. The site will allow you to make benefit elections during open enrollment; it will also allow you to add/or drop dependents mid-year due to a qualifying change in status, or correct personal information. The website will include all your benefit information as well as educational information and interactive tools.

MyBenefits.illinois.gov is accessible via your computer, smartphone or tablet. You may also contact customer service representative for assistance Monday – Friday 8:00 AM – 6:00 PM CT (toll-free) 844-251-1777 or 844-251-1778 TDD/TTY.

To access the enrollment platform, you need to register on the website using information pertinent to you for self-authentication. Once registered, you will be provided your CMS-issued Employee ID Number (EIN), which you will need whenever you login to this site. If you lose your EIN, you will be able to retrieve it through the self-authentication process.

Members newly eligible for the TRAIL MAPD Program will be required to enroll during the TRAIL MAPD Open Enrollment Period which runs October 15 – November 15, 2019.

## What is a Group Medicare Advantage Plan?

A Group Medicare Advantage plan is designed just for TRIP members. Only eligible members can enroll in this plan. You can't get it anywhere else.

Medicare Advantage plans are a part of Medicare that combine all the benefits of Medicare Part A (hospital) and Medicare Part B (doctor and outpatient) into one convenient plan. Plus, your TRIP-sponsored TRAIL MAPD plan includes Medicare Part D prescription drug coverage as well as programs that go beyond Original Medicare, for example:

### Humana Employer Medicare HMO offers:

- SilverSneakers®
- Humana Well Dine
- Telemedicine (MD Live)

### Aetna Medicare Plan (HMO) offers:

- Preferred Pharmacy Discounts
- In-Home Health Risk Assessments
- Teladoc

### Health Alliance MAPD HMO offers:

- Care Coordination Services
- Fitness Center Benefit
- Preferred Pharmacy Program

### UnitedHealthcare PPO offers:

- HouseCalls
- Renew by UnitedHealthcare
- Virtual Doctor Visits

**You must continue paying your Medicare Part B premium to keep your coverage under this TRIP TRAIL MAPD plan.**

# Important Information

- **You must keep Medicare Parts A and B and continue to pay the applicable Medicare premiums.**
- If the member's household Medicare information is not on file with MyBenefits, or the State's Medicare COB Unit by the end of the TRAIL MAPD Enrollment Period, the TRAIL MAPD and State medical insurance will be waived for the person(s) with the missing information and waived for the entire household if the member is missing information.
- You can only be in one Medicare Advantage or Medicare Part D (prescription drug) plan at a time. Enrollment in the TRAIL MAPD plan provides you with Medicare Advantage coverage as well as Medicare Part D coverage. **Therefore, enrollment in a different Medicare Advantage or Medicare Part D plan will automatically cause your TRAIL MAPD coverage to end, which will include termination of your TRIP medical and prescription drug coverage.**
- You can terminate the TRAIL MAPD coverage at anytime however, once you cancel your TRIP TRAIL MAPD coverage, re-enrollment is allowed for TRIP only during the annual TRAIL Open Enrollment Period, or other qualifying enrollment opportunities.
- If your residential or mailing address changes, you must notify your retirement system in writing as quickly as possible.
- If you are currently enrolled in one of the TRAIL MAPD HMO plans (Aetna Medicare Plan (HMO), Health Alliance MAPD HMO, and Humana Employer Medicare HMO) and move outside of the plan's service area to a different county in Illinois or to a different state, you must elect a new Medicare Advantage plan available in your new area.

# Newly-Eligible TRAIL MAPD Members FAQs

## What do I need to know about TRAIL MAPD?

TRAIL MAPD is a retiree healthcare program sponsored by the Teachers' Retirement Insurance Program (TRIP). The plans offered through the TRAIL Program are Medicare Advantage plans which include Prescription Drug coverage. These plans are typically called "MAPD" plans. **As a TRIP member who is newly-eligible for enrollment in a TRAIL MAPD plan, you must make a choice during this TRAIL MAPD Open Enrollment Period to enroll in one of the MAPD plans offered.** If you do not want TRAIL MAPD coverage, you can cancel which will terminate your medical and prescription drug coverage. **Opting-out does not allow you to stay in your current TRIP health plan.**

## Why am I getting information to change now? I normally receive information to change health plans in May.

The TRAIL MAPD plans follow a calendar year. Therefore, you will no longer receive the 'Benefit Choice' mailings in the spring since your health plan options are now different than those being offered to non-Medicare members. This means you will be making health plan choices in the fall of each year.

## What Does the TRAIL MAPD Plan Cover?

TRAIL MAPD plans are offered by private companies approved by Medicare. Medicare pays a fixed amount for your care each month to these companies. When you enroll in a Medicare Advantage Prescription Drug (MAPD) plan, you are no longer in Original Medicare, but still have the same covered services and the same rights and protections as people with Original Medicare.

The TRAIL MAPD plans provide all of your Part A (hospital) and Part B (doctor and outpatient) benefits, including emergency and urgent care, and Medicare Part D (prescription drug) coverage.

## Is Medicare Advantage a Medicare Supplement?

No. Medicare supplement insurance fills gaps in Original Medicare coverage by helping to pay the portion of healthcare expenses that Original Medicare does not pay, such as deductibles and coinsurances. Medicare supplement insurance can be either a Medigap plan (labeled A through N plans) or retiree insurance from a former employer. Typically, retiree insurance from a former employer pays your health insurance claims after Original Medicare pays its portion. As a Medicare retiree enrolled in TRIP, the health plan you had prior to being enrolled in the TRAIL MAPD Program paid your claims 'second' after Medicare. That means any medical claims you incurred were sent first to Original Medicare for payment and the remaining balance was sent to your TRIP insurance plan.

## If I enroll in the TRIP TRAIL MAPD plan, will I still have Medicare?

Yes, but you can only use your red, white and blue Medicare card for hospice care. All other claims for your healthcare services (including prescription drugs) should be sent to your MAPD plan administrator for processing and benefit determinations.

## Do I need to continue to pay my Medicare premiums?

**Yes! In order to maintain your TRAIL MAPD plan health coverage, you must continue to pay your Medicare premiums.**

### Can I stay enrolled in my current health plan?

No. Medicare-eligible TRIP members who want to continue medical and prescription drug coverage, are required to enroll in one of the TRAIL MAPD plans if they and their covered dependents are all enrolled in Medicare Parts A and B. Remaining in your current health plan is not an option. If you do not complete the online enrollment or call the MyBenefits Service Center to enroll by the November 15th deadline, we will assume you do not want the TRAIL MAPD coverage and your medical and prescription drug coverage will terminate effective January 1, 2020. If your TRIP medical and prescription coverage is terminated, you will have Original Medicare only for your medical coverage and will need to enroll in a Part D prescription plan for prescription drug coverage.

### I have already paid my health plan deductibles for this year. Do I have to pay them again?

Yes. The MAPD plans are not permitted to take into account the deductible you might have already paid in your other plan. Any deductible paid to your current medical plan will not count toward your MAPD plan's annual deductible. The PPO plan's annual medical deductible will begin January 1, 2020.

### Will this TRAIL MAPD plan cover everything that my current TRIP health plan covers?

Not necessarily. Your current health plan may cover services that Original Medicare does not cover. Medicare Advantage plans are required to cover all services covered by Original Medicare. In order to be covered, the service must be considered medically necessary and in certain cases, meet Medicare guidelines for approval. Some services have limits to how often they can be obtained.

## What is the difference between TRIP and TRAIL?

**TRIP stands for the Teachers' Retirement Insurance Program (TRIP). TRIP offers group insurance to eligible members under the Teachers' Retirement System (TRS) who retired from an eligible K-12 Illinois school district. Group insurance benefits under TRIP include medical and prescription drug coverage.**

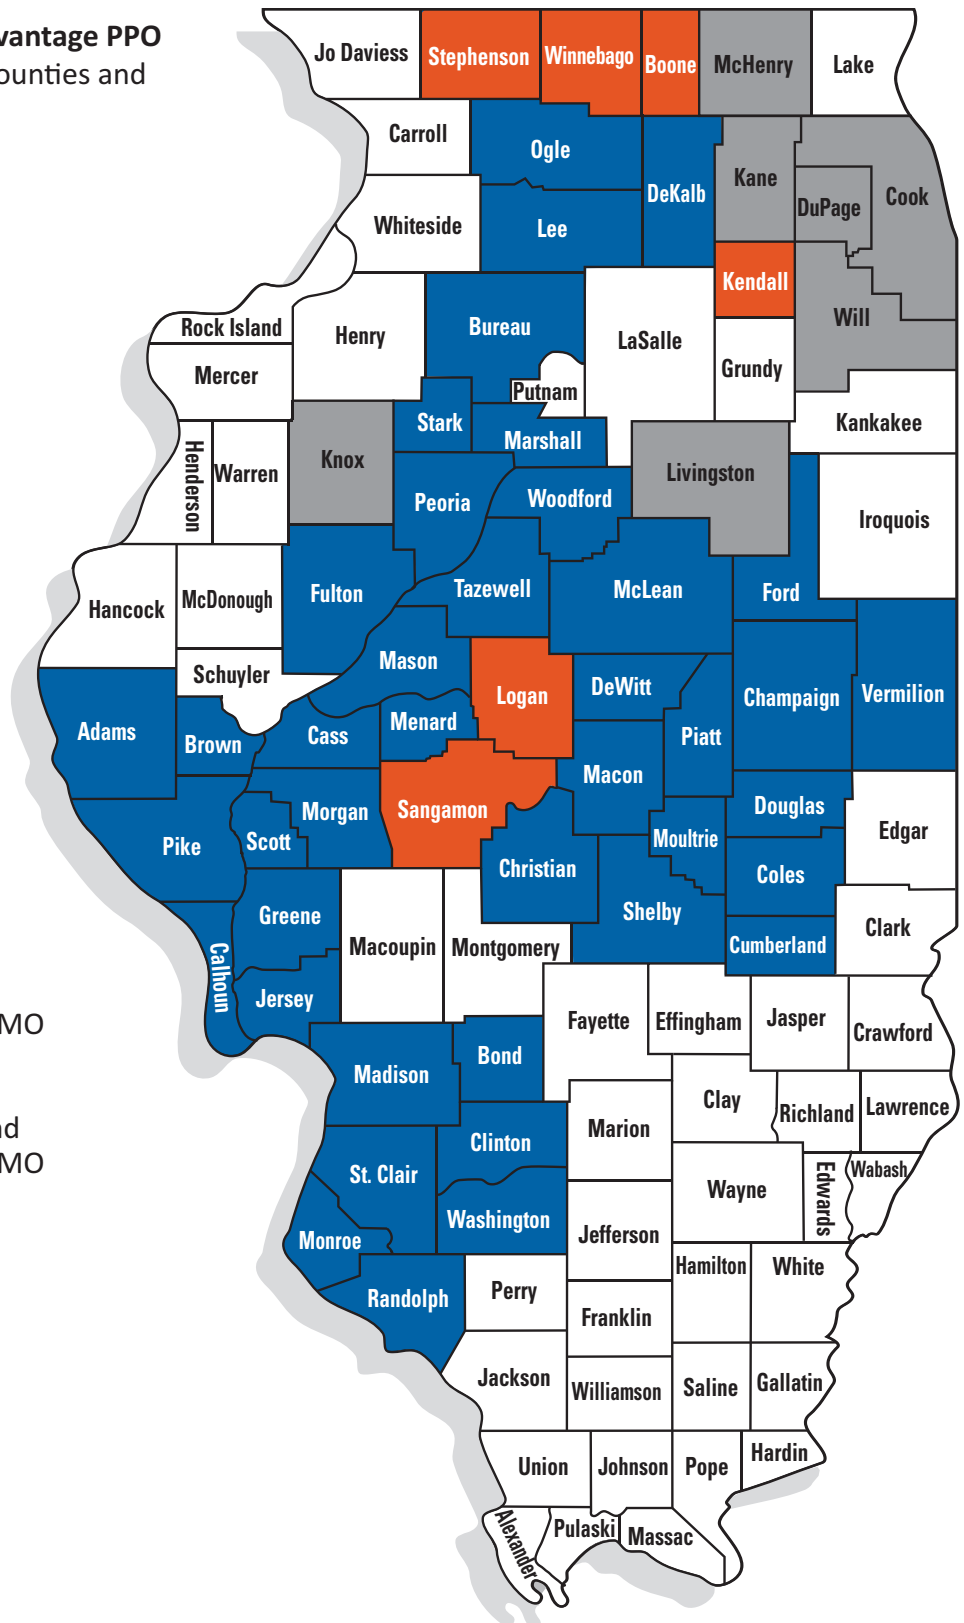

**TRAIL stands for Total Retiree Advantage Illinois (TRAIL). TRAIL offers group insurance in the form of Medicare Advantage Prescription Drug (MAPD) plans to members already enrolled in TRIP. The TRAIL MAPD program is a part of TRIP, but is only offered to Medicare-eligible plan participants eligible for TRIP.**

# A Map of TRAIL MAPD Plans by County

**The UnitedHealthcare Medicare Advantage PPO (UHC PPO)** is available in all Illinois counties and throughout the U.S.

UnitedHealthcare PPO, Aetna Medicare Plan (HMO), Health Alliance MAPD HMO and the Humana Employer Medicare HMO availability is indicated by the key below:

- UHC PPO and Health Alliance MAPD HMO
- UHC PPO and Aetna Medicare Plan (HMO)
- UHC PPO and Humana Employer Medicare HMO
- UHC PPO and Aetna Medicare Plan (HMO) and Humana Employer Medicare HMO

# Your Health Plan Options: HMO vs. PPO

## Aetna Medicare Plan (HMO), Health Alliance MAPD HMO and Humana Employer Medicare HMO

If you enroll in one of the Medicare Advantage Prescription Drug (MAPD) HMO plans available to you (based on the county in which you live), you must choose a primary care physician (PCP) from the MAPD plan's network of providers. When you enroll online or over the phone, be sure to have your PCP's identification number. That number can be obtained from the plan administrators' provider directory, or by calling the plan administrators (see page 17). Your PCP will coordinate your care and refer you to specialists when needed. Out-of-network care is only available for emergencies; therefore, be sure to see a network provider when seeking services through an HMO plan.

All of the MAPD HMO plans offer a network of doctors, specialists and hospitals to choose from, plus a variety of programs and services to help improve your health and well-being.

## UnitedHealthcare Medicare Advantage PPO

The UnitedHealthcare (UHC) Medicare Advantage Preferred Provider Organization (PPO) plan is a "passive" PPO plan. If you enroll in the UHC Medicare Advantage PPO plan, you may see any provider as long as they participate in Medicare and accept the plan. With the UHC PPO, you will not have the restrictions of in- and out-of-network coverage. So even though UHC has a network of providers, if you receive care from a provider not in the UHC network (i.e., an out-of-network provider), the PPO plan pays those providers the same amount Medicare would have paid; you pay the same out-of-pocket percentage as if you had received in-network care.

The majority of providers in Illinois and across the nation participate in Medicare and will accept the TRIP-sponsored UHC group plan. If the provider is not willing to bill UHC, call UHC at the number on page 17 and ask them to contact your provider to explain the plan. If your provider still refuses to bill UHC for your visit, you must pay the bill and submit a request for reimbursement to UHC for payment. UHC will then reimburse you the Medicare allowable amount, minus any deductible or coinsurance for which you are responsible.

# TRIP TRAIL MAPD Medical Contributions

## TRAIL MAPD Plan Monthly Contributions Effective January 1, 2020

Members in the Teachers' Retirement Insurance Program (TRIP) are responsible for a monthly contribution for Medicare Advantage coverage that includes prescription drug benefits. If your school district currently pays your TRIP insurance premium, it may continue to pay the premium on your behalf after you enroll in TRAIL. If you wish to verify the premium payment arrangements for your TRAIL MAPD coverage, you should contact your school district.

# Prescription Drug Coverage

A TRAIL MAPD plan includes Medicare Part D prescription drug coverage. Prescription drug formularies (i.e., list of drugs covered) vary by health plan. The TRAIL MAPD prescription drug coverage must follow Medicare rules for which types of drugs can be covered. Drugs covered under a non-Medicare Part D plan may not be covered under a Medicare Part D plan. If you are uncertain whether a drug will be covered, you should call the health plan in which you are interested in enrolling to inquire.

## Part D Coverage Stages

Since the TRAIL MAPD prescription drug coverage is a Medicare Part D plan, the member's cost for prescription drugs under the TRAIL MAPD Program must follow the Medicare Part D drug coverage stages. There are four drug payment stages: Annual Deductible, Initial Coverage, Coverage Gap, and Catastrophic Coverage. At the beginning of the year, you start out in the Annual Deductible stage. If the plan has no prescription drug deductible, then you begin in the second stage, the Initial Coverage stage. You progress to the next stage once you have met the cost requirements for the current stage.

Unlike a standard Part D plan in which the enrollee is required to pay a percentage of the full retail cost of the drug, TRIP members enrolled in the TRAIL MAPD Program pay only the plan's standard copayment through the Initial Coverage and Coverage Gap stages. Paying only the standard copayment through the Coverage Gap is a valuable benefit for TRAIL MAPD members. Once a member reaches the Catastrophic Coverage stage (when the true out-of-pocket costs reach \$6,350 for prescription drugs in 2020), the member will pay either a small copayment or 5% coinsurance that is capped to limit a member's out-of-pocket costs.

## Part D IRMAA Premium

Medicare requires those enrolled in a Medicare Part D plan whose annual income is above a certain limit to pay an additional premium called IRMAA (Income-Related Monthly Adjustment Amount). Medicare will look back at your tax return from two years ago to determine your income. For those members whose income is verified by the IRS to exceed the established limits, the Social Security Administration will send a predetermination letter. If applicable, IRMAA applies to both Medicare Parts B and D; therefore, members who pay an additional premium for their Medicare Part B coverage are the same members who will be charged the Medicare Part D IRMAA amount. Members will receive a quarterly bill in the mail from Social Security for these additional premiums. To remain in the Medicare Advantage plan, affected members must pay these additional premiums. Go to [medicare.gov](https://www.medicare.gov) for IRMAA premium amounts.

Go Online at **MyBenefits.illinois.gov**, or call **844-251-1777** (toll-free) if:

- **Your dependents experience a change of address.**
- **Your dependent loses eligibility.** Dependents who are no longer eligible under the Program (including divorced spouses or partners of a dissolved civil union or domestic partner relationship) must be reported online immediately. Members should also notify TRS immediately.
- **You get married or enter into a civil union partnership, or your marriage, domestic partnership or civil union partnership is dissolved.**
- **You gain legal guardianship of a child or adopt a child.**
- **You have insurance benefit questions • insurance plan options in your residential area • to enroll into an insurance plan • to add a dependent to your insurance plan • to provide a marriage certificate to add a new spouse to your insurance plan • to term a dependent from your insurance plan • and to find out more about your insurance coverage.**
